

IoT Developer's Bundle Promotion

Promotion Code: RKS-0337

Contact Purdicom

+44 (0) 333 1212 100 | hello@purdi.com | www.purdi.com

OVERVIEW

RUCKUS is now offering an IoT bundle giving Solution Providers the chance to invest in the technology. Due to more devices becoming IoT compatible, in industries like universities, schools, offices and hotels, this promotion provides developers with the opportunity to build test environments at a preferential and heavily discounted rate.

- Duration: June 1, 2020 through December 31, 2020
- Promotion Code: RKS-0337
- Eligible Solution Providers: All RUCKUS Networking Solution Providers
