

RUCKUS EMEA EDU (Education) Promotion 2022 - 2023

This promotion is structured to encourage multiple Solution Provider bids on education opportunities, for EMEA customers in primary, secondary and higher education. Solution Providers that demonstrate the greatest value for an opportunity have the best chance of being awarded the highest discounts, whilst allowing for pricing to be competitive.

Promotion Details

- Promo Codes: RKS-0390 (Bidder) & RKS-0391 (Driver)
- Eligible GEO: EMEA
- Eligibility: All EMEA RUCKUS Network Solution Providers
- Duration: October 1, 2022 to July 31, 2023

Requirements

- Deal registration is required
- When submitting a deal registration, Solution Providers should specify the value they add to the opportunity
- If approved, the discount level will be assigned by RUCKUS
- If the solution provider is not qualified for either Bidder or Driver, standard pricing can be used
