

Getting Started with Intangi Iris

November 2021

Getting Started with Intangi Iris

- 1) Create an Intangi account:
 - a) Connect to Intangi web site: <https://www.intangi.com>
 - b) Go to "Support" section:

- c) Click "Create Account":

- d) Fulfill the form and confirm the account.

Getting Started with Intangi Iris

- 2) Download the software.
 - a) Access to Support section with your new account credentials.
 - b) Access to “Download Iris” section and follow the instructions to download and install the tool:

- 3) Access to RUCKUS Catalog.
 - a) Launch Intangi Iris and enter your account credentials when prompted.
 - b) Access to “Tools/Subscriptions/Manage Subscriptions” section:

Getting Started with Intangi Iris

- c) Select “Ruckus Networks” and click “Price Lists” button:

- d) Confirm at least one “Ruckus Price List” element is listed, check the “Include all downloadable price lists” checkbox and click OK:

If no “Ruckus Price List” element is shown, you need to send an email to support@intangi.com and request access to RUCKUS Price List as a RUCKUS Partner. They will verify you are and grant you access.

4) Enjoy Intangi Iris!

RTF Webinar of Sep 2019 was a training session of Intangi Iris, good point to start. You can access to it searching “Iris” in the RTF Webinars repository, it is available in multiple languages:

<https://support.ruckuswireless.com/rtf-webinars>

Webinar in English is directly available here:
